ALEXANDRIA, VA., TUESDAY EVENING, JANUARY 21, 1902.

PRICE 2 CTS.

Two Are One

In marriage only when there is affection of health as well as affection. Affection may be the basis of unity in marriage, but the superstructure depends largely on the woman's health. When the wife is tormented with backache, distressed by headache, and racked by nervousness, she has no ambition for exercise or pleasure.

Doctor Pierce's Favorite Prescription makes weak women strong and sick women well. It cures headache, backache, and other womanly ills by curing the diseases of the womanly organism which cause them. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

Weak and sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private and confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines. His profit is your loss, therefore accept no substitute.

"My wife commenced to complain twenty years ago," writes Lewis A. Miller, ex-Chief of Police, Prospect Street, Westport, Pa. "We have tried the skill of twelve different doctors. She took gallons of medicine during the time she was ill, until I wrote to you and told you what to do. She has taken eight bottles of Dr. Pierce's Favorite Prescription and six of the 'Golden Medical Discovery.' She can do her own work now and can walk around again and is quite smart."

"You can publish this letter if you wish. We have received such benefit that we wish every sufferer could derive the same amount of good. My wife's complaint seemed to be a complication of diseases--the doctors said. We will remain your patients. May God bless you and your institution."

Dr. Pierce's Pellets are the most desirable laxative for delicate women.

KING GEORGE NEGROES.

A letter to the Fredericksburg Star
from Corns says: There is in King
George county a comparatively large
class of colored people who no longer
look to politics and the alluring
promises of professional politicians as a
potent means for the development of
their material interests. They vote,
and vote with their political party, but
there is in them a manifest disposition
to act with a greater degree of freedom
and independence in voting than has
hitherto characterized them. This
disposition is the result of their having
learned that real prosperity
and material progress come not from
chasing political phantoms, nor from
endeavoring to solve political problems
and race questions, and they are turn-
ing their attention and directing their
energies more and more to industrial
"problems." Many of this particular
class aspire to the ownership of real
estate--they crave land of their own--
and a large number already own and
occupy cozy homes, and are the hap-
piest and most contented folk in all
the world. Some neighbors are al-
most entirely self-sufficient by enterprising
colored families who for years practiced
industry and economy, and invested
their earnings in homes, to the exclusion
of minor matters, and as a rule, these
settlements show evidence of manage-
ment and prosperity. Some of them
are farming on their own "hook," mak-
ing good crops and paying some atten-
tion to the clearing and improving of
their land. Those of them who have
been managed and advanced stand well
in their community--enjoying the re-
spect of good citizens, and have good
credit at the country stores.

BELIEVES HE IS HER HUSBAND.

Representative George W. Taylor, of
Alexandria, yesterday received a letter
from Mrs. Sarah H. Ward Burkholder,
308 S. L. Street, asking
a divorce from her husband, Mr. Burkholder,
of Norfolk, Va., and as a rule, these
settlements show evidence of manage-
ment and prosperity. Some of them
are farming on their own "hook," mak-
ing good crops and paying some atten-
tion to the clearing and improving of
their land. Those of them who have
been managed and advanced stand well
in their community--enjoying the re-
spect of good citizens, and have good
credit at the country stores.

A representative of Mr. Taylor called
on Mr. Burkholder and secured a
copy of the marriage certificate issued
to Mr. Burkholder and Miss Jardine.
His application for a divorce license
was granted by the court at thirty-
five years and that of Miss Jardine as
twenty-six years.

It appears from the return which
made that the parties were married on
the day the license was issued by Jus-
tice of the Peace S. Herbert Geisey, at
his office on F. Street. Mr. Geisey, when
asked about the affair, stated that there
did not seem to him to be anything out
of the ordinary about the marriage, and
that he took no particular notice of the
parties.

CAST BREAD UPON WATERS.

Food and shelter given a hungry, homeless
wanderer 16 years ago has just borne
fruit in a substantial legacy to Mr. and
Mrs. Joseph Green, of Mount Slocum,
N. Y. Joseph died in the autumn
of 1885 a penniless young man stopped
at the Green farmhouse and asked for
food and shelter. The man, who gave
him the name of Jared Rogers, remained at
the farmhouse several days. Before
leaving he was fitted out with a suit of
clothes and several days' rations. Dur-
ing the 16 years which intervened Mr.
and Mrs. Green heard nothing from the
stranger and had forgotten the incident,
when a letter reached them from an
attorney in the Far West a week ago,
informing them that by the will of
Jared Rogers, who died recently, they
had been remembered to the extent of
\$5,000. The letter stated also that
Rogers had accumulated a large prop-
erty, and that a short time previous to
his death his bequest to the Greens
was made in return for hospitality
shown him while he was traveling
through the country in a destitute con-
dition. Mr. and Mrs. Green, mean-
while, had lost all their property by
several fires and unfortunate business
ventures.

Pneumonia Prevented.

Among the tens of thousands who
have used Chamberlain's Cough Rem-
edy, colds and the grippe during the
past few years, to our knowledge, not
a single case has resulted in pneumonia.
Eaton, Whitfield & Co., 240 Wabash
avenue, Chicago, one of the most promi-
nent retail druggists to that city, in
speaking of this, says: "We recom-
mend Chamberlain's Cough Remedy for
the grippe in many cases, as it not only
gives prompt and complete recovery,
but also counteracts any tendency of the
grippe to result in pneumonia." For
sale by Richard Gibson, druggist.

A Profitable Investment.

"I was troubled for about seven years with
my stomach and in bed half my time," says
J. D. Mick, Somerville, Ind. "I spent about
\$1,000 and never could get anything to help
me until I tried Kodo Dyspepsia Cure. I
have taken a few bottles and am entirely
well." You don't live by what you eat, but
by what you digest and assimilate. If your
stomach doesn't digest your food you are
really starving. Kodo Dyspepsia Cure does
the stomach's work by digesting the food.
You don't have to diet. Eat all you want.
Kodo Dyspepsia Cure cures all stomach
troubles. For sale by R. M. Leadbeater.
